

MOVING THIS SUMMER?

As PCS season approaches, its not too early to give notice

Moving is a normal part of the military experience. Whether you move often or you are packing up for the first time in a long time, moving can be a hectic process. The summer months are the busiest months for military families on the move. It is always smart to get ahead of PCS season. If you are moving this year, contact your community center office to provide written notice of intent to vacate. Active duty residents must provide a

30-day notice to vacate. DoD Civilians and Retirees are required to provide a 60-day notice. The sooner you provide notice, the easier it is to coordinate household goods pick-up, transportation and travel. If your move out date changes just let us know. We can adjust your final inspection based on those changes. When adequate notice is given, you also help inbound families make plans for their relocation to Fort Sam Houston.

Our CEO's Message

Dear Residents,

This month the Hunt Heroes Foundation, in partnership with Hunt Military Communities, will be launching their third annual Hunt Little Heroes program. This program is aimed at highlighting the extraordinary military children who serve our communities in thoughtful and meaningful ways. If you know of a military child, aged 4-15, who works to make the community where they live a better

place, please encourage them to apply to be a Hunt Little Hero. All applicants will receive a special commemorative coin and hero cape. Three outstanding children will be awarded a monetary gift along with the opportunity to have a matching award presented to the charity of their choice. Applications open March 15, 2022 and run through April 15, 2022. For more information, please visit huntheroesfoundation.org.

As we usher out winter and welcome the warmer days of spring, I wish you and your family the very best.

Sincerely,

Brian Stann President & Chief Executive Officer

huntheroesfoundation.org.

Joe Gomez Maintenance Technician

employee SPOTLIGHT

Joe is a maintenance technician who joined the HMC Team in July 2021. When he is not working he enjoys spending time with his family. He recognizes the important role that our military families play and is happy to help them in their homes. His attention to detail and customer friendly service has not gone unnoticed. Many have expressed appreciation for his thoughtful follow up. One resident recently remarked "Joe is fantastic." We agree! Joe is a valuable member of the Fort Sam Houston Family Housing Team!

Resident's Feedback Loop

Share your thoughts and experiences living in Hunt Military Communities.

Hunt Military Communities is introducing a new way to share your feedback.

Through the **Hunt Residents' Feedback Loop**, you can share your thoughts, *at any time* through an online survey.

We are always looking for ways to strengthen and serve our communities. That's why we collaborated with the Military Family Advisory Network (MFAN) to build a feedback loop so we can hear from you. As a resident,

this feedback loop provides you the opportunity to share your housing experiences directly with MFAN, confidentially. MFAN will then share its findings regularly with leadership at Hunt Military Housing.

We want to ensure we're serving you the best we can while stationed in our communities.

Your voice matters to us!

Don't forget: bookmark the survey link so you can provide responses any time you need.

TRASH & RECYCLING

Tuesday and Friday

Trash and recycling is picked up twice a week.

Trash should be placed curbside by 7am.

Place bulk items curbside for pick up on Fridays

Pets in Housing

As a reminder, pets should not be tethered, chained or loose in housing areas. Pets must be kept inside your home at all times, except when on a leash accompanied by an adult, or safely contained in a fenced backyard, provided with adequate water, food, shelter and protection from inclement weather. Pet waste must be picked up immediately in all private and common areas.

***Remember a pet registration and deposit is required for all new pets.** Residents who acquire a new pet must also complete a new pet addendum and register your new furry family member at the FSH Veterinary Clinic.

RESIDENT GUIDE REMINDERS:

RECREATIONAL VEHICLES: Storage of Boats, RV's, Trailers, and other recreational vehicles, is not permitted in the housing areas. Residents are asked to make arrangements for the storage of these items with Outdoor Recreation, or off post. Recreational vehicles can be parked at your home for 24 hours before and after use.

SMOKE DETECTORS: The proper functioning of smoke detectors is critical to your safety. So, we recommend you test yours monthly. Immediately notify us at 210-225-5462 if your smoke detector is chirping or malfunctioning.

GARBAGE DISPOSAL: Keeping the cover in the stopper position when not in use will prevent foreign material from accidentally dropping into your disposal unit. It is also important to have a sufficient flow of water to flush shredded waste through the drains, even after the disposal unit has been turned off. In order to minimize the need for maintenance, please do not put bones, bottle caps, glass, foil, string, paper, anything fibrous like celery, corn husks or artichokes down garbage disposal. Grease will also build up and cause clogging.

Weekly Mowing Schedule: The mowing schedule will be modified if a scheduled day falls on a Holiday or in the event of inclement weather. Residents will be notified via email of schedule changes. Weather related service delays may be rescheduled for the weekend.

TIPS ON BEING A GOOD NEIGHBOR

- Observe and respect your neighbor's personal space. This includes making sure your children put their toys away appropriately and refraining from walking on their lawn if possible.
- Not everyone is a dog or cat lover. So, do not allow pets to wander onto your neighbor's lawn, and if they make a mess, please pick up after them.
- Maintain the exterior of your home. If you have a fenced in yard, be considerate of your neighbors by making sure the lawn inside the fence is taken care of. Tall and unmanaged grass will lead to snakes & other pests.
- Look out for one another; if you know your neighbor is not around and you notice suspicious activity around their home, report it.
