HUNT MILITARY COMMUNITY

## Our CEO's Message

Dear HMC Residents,

On September 11, 2001, almost 21 years ago, 246 people went to sleep in preparation for their morning flights. 2,606 people went to sleep in preparation for work in the morning. 343 firefighters went to sleep in preparation for their morning shift. 60 police officers went to sleep in preparation for morning patrol. 8 paramedics went to sleep in preparation for the morning shift. They all died heroes. The one thing we can all do is recognize their lives were not lost in vain. I ask you to join me in vowing to "never forget" and to continue living our lives stronger and more unified.

In memory of 9-1-1, Hunt Military Communities and Hunt Heroes Foundation is once again hosting the Patriot Essay Contest. This is open to any child between the ages of 8-18. We are looking to read the personal reflections from children who understand and embrace the importance of patriotism, even though they never experienced the tragedy of 9-1-1. Children wishing to submit their essay can do so at [www.huntheroesfoundation.org](http://www.huntheroesfoundation.org). Submissions are due no later than September 7th.

Winners will be announced on September 10th.

As always, thank you for allowing us to serve you.

Semper Fidelis,  
Brian Stann  
President and Chief Executive Officer

FSHFH Begins Community Advisory Board Meetings

Last month, Fort Sam Houston Family Housing (FSHFH) held the first Community Advisory Board (CAB) meeting. Members of the all volunteer board are each current residents, representing the communities that make up FSHFH. They serve as liaisons for neighborhoods in Fort Sam Family Housing, communicating community

guidelines, procedures for problem resolution and community goals to other residents. They will also assist with the distribution of informational material to housing residents as needed. CAB members will occasionally solicit resident input and ideas, and work with FSHFH staff to improve the quality of life for all residents. Please

share your ideas with a CAB member so they can be discussed during monthly meetings. Members in attendance at last month’s meeting were Mrs. Lakesha Braxton, Mrs. Stacy Long and MSG Raymond Manalo.

We still need volunteers to serve the Infantry Post and Gorgas neighborhoods. If you are interested please call us at 830-262-0830. We look forward to sharing ideas and working to improve FSHFH Neighborhoods.

TRASH & RECYCLING  
Tuesday and Friday

Trash and recycling is picked up twice a week. Trash should be placed curbside by 7am.

Place bulk items curbside for pick up on Fridays

Pets in Housing

As a reminder, pets should not be tethered, chained or loose in housing areas. Pets must be kept inside your home at all times, except when on a leash accompanied by an adult, or safely contained in a fenced backyard, provided with adequate water, food, shelter and protection from inclement weather. Pet waste must be picked up immediately in all private and common areas.

\*Remember a pet registration and deposit is required for all new pets. Residents who acquire a new pet must also complete a new pet addendum and register your new furry family member at the FSH Veterinary Clinic.

RESIDENT GUIDE REMINDERS:

**RECREATIONAL VEHICLES:** Storage of Boats, RV’s, Trailers, and other recreational vehicles, is not permitted in the housing areas. Residents are asked to make arrangements for the storage of these items with Outdoor Recreation, or off post. Recreational vehicles can be parked at your home for 24 hours before and after use.

**SMOKE DETECTORS:** A proper functioning smoke detector is critical to your safety. So, we recommend you test yours monthly. Immediately notify us at 830-262-0830, option 3 if your smoke detector is chirping or malfunctioning.

**GARBAGE DISPOSAL:** Keeping the cover in the stopper position when not in use will prevent foreign material from accidentally dropping into your disposal unit. It is also important to have a sufficient flow of water to flush shredded waste through the drains, even after the disposal unit has been turned off. In order to minimize the need for maintenance, please do not put bones, bottle caps, glass, foil, string, paper, anything fibrous like celery, corn husks or artichokes down garbage disposal. Grease will also build up and cause clogging.

**Weekly Mowing Schedule:** The mowing schedule will be modified if a scheduled day falls on a Holiday or in the event of inclement weather. Residents will be notified via email of schedule changes. Weather related service delays may be rescheduled for the weekend.
