Hunt Military Communities announces a new partnership with the Defense Department.

On October 25, 2022, Hunt Military Communities will join the Defense Department Military Spouse Employment Partnership in an in-person induction ceremony and annual event in Arlington, Virginia. Hunt Military Communities joins more than 70 new partners to MSEP — bringing the number of employers to more than 615.

OUR CEO'S MESSAGE

Dear HMC Residents,

By now, you should have received your link to the Tenant Satisfaction Survey. I encourage you to complete this short survey as your feedback is incredibly valued. The collective feedback will help us understand areas of opportunity to improve your living experience, while also gaining feedback on the areas you enjoy so we can give that greater focus.

Recently, we completed focus groups in each of our communities. Thank you to the residents who participated and shared their candid feedback. We have identified areas of opportunity from your sentiment that are being prioritized for 2023. We look forward to continued dialogue with our residents on how we can collectively continue to make living on base a great experience.

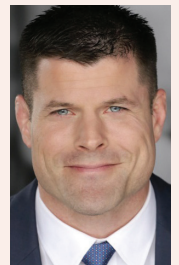

On November 11th, we will honor our many veteran residents who unselfishly answered the call and served our great nation in the name of duty, honor, and country. The entire HMC team is grateful and proud of their many sacrifices, and we want to be the first to thank you and your families for your service to our nation.

Lastly, we want to wish you all a Happy Thanksgiving. I hope you can all make meaningful memories with your loved ones, and for those families with a deployed service member, we are both grateful and humbled by the sacrifices your family makes for all of us.

As always, thank you for allowing us to serve you.

Semper Fidelis,

Brian Stann
President and CEO

RESIDENT GUIDE REMINDERS

Recreational Vehicles

Storage of Boats, RVs, Trailers, and other recreational vehicles, are not permitted in the housing areas. Residents are asked to make arrangements for the storage of these items with Outdoor Recreation, or off the post. Recreational vehicles can be parked at your home for 24 hours before and after use.

Smoke Detectors

A properly functioning smoke detector is critical to your safety. Therefore, we recommend you test yours monthly. Immediately notify us at 830-262-0830, option 3 if your smoke detector is chirping or malfunctioning.

Garbage Disposal

Keeping the cover in the stopper position when not in use will prevent foreign material from accidentally dropping into your disposal unit. It is also important to have a sufficient flow of water to flush shredded waste through the drains, even after the disposal unit has been turned off. In order to minimize the need for maintenance, please do not put bones, bottle caps, glass, foil, string, paper, or anything fibrous like celery, cornhusks, or artichokes down the garbage disposal. Grease will also build up and cause clogging.

Trash & Recycling

Trash and recycling are picked up twice a week, Tuesday and Friday. Trash should be placed curbside by 7:00 AM. Place bulk items curbside for pick up on Fridays.

Weekly Mowing Schedule

The mowing schedule will be modified if a scheduled day falls on a Holiday or in the event of inclement weather. Residents will be notified via email of schedule changes. Weather-related service delays may be rescheduled for the weekend.

Monday - Gorgas, Hancock, Infantry, Artillery (Includes Wheaton & Artillery open fields)
