Submit a video (under 2 minutes) or an essay (200 words or less) by September 6, 2024, for a chance to win \$100! Five winners will be announced on September 11, 2024. Visit Patriot.HuntMilitaryCommunitiesFoundation.org to upload your submission and share your voice.

MAINTENANCE

Rinsing your dishes before loading will prevent the drain from clogging. If you have dishwasher safe plastic and wooden items, load them in the top rack only. Please do not place fragile glassware in the dishwasher; the jet action may cause breakage. If you are experiencing issues with your dishwasher, please contact our office at 830-262-0830.

SATISFACTS SURVEYS

"Andrew and Norman went way past the call of duty to fix our A/C problem! Our house has never been cooler. Please thank them both!"

Thank you for sharing this kind thought about our excellent maintenance team!
