

COMMUNITY DIRECTOR UPDATE

JUNE 1, 2025

COMMUNITY NEWS

June is National PTSD awareness month. PTSD Awareness Day is June 27th. PTSD Awareness Day, observed on June 27th, serves as a powerful reminder of the profound impact trauma can have on individuals. It highlights the visible and invisible scars carried by countless people who have experienced traumatic events. This day aims to raise awareness, foster understanding, and promote support and resources for those affected by post-traumatic stress disorder. By shining a spotlight on PTSD, we can help reduce stigma, encourage open conversations, and ensure that individuals receive the compassion and help they need on their journey toward healing. We acknowledge the strength and resilience of our military community.

COMMUNITY UPDATES

- **Artillery Paving Project** - The paving project at Artillery Post has been completed, and we will be moving on to Staff Post and Infantry Post. Please stay tuned for updates on scheduling and progress.
- **Exterior Painting at Harris Heights** - Painting at Harris Heights will begin soon! Residents in this area should be on the lookout for notification regarding project timelines and any temporary access restrictions.
- **HVAC Replacements** - All pallets of HVAC units have been received, and the replacement schedule will begin soon. If your home is scheduled for an HVAC replacement, you will receive further details regarding the installation process. Thank you for your patience and cooperation as we continue to improve our community!

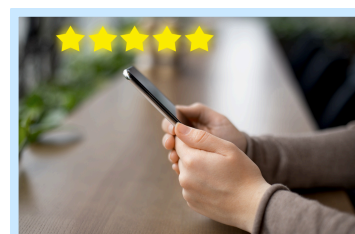

MAINTENANCE

As we approach the hot Texas summer, please remember to regularly change your AC filters to ensure your system runs efficiently and to maintain good indoor air quality. Additionally, avoid setting the thermostat too low, as this can contribute to freezing of the unit and an AC outage, especially when outdoor temperatures are high. While not the primary cause, setting the AC too low-particularly in combination with issues like dirty filters or obstructed airflow can increase the risk of the evaporator coil freezing.

DO YOU LOVE LIVING AT FT. SAM HOUSTON FAMILY HOUSTON?

We love hearing from you! Your feedback helps us make Ft. Sam Houston Family Housing an even better place to call home. Whether it's a favorite thing about living here or an idea you'd like to share, your thoughts mean the world to us. Leaving a Google Review is quick, easy, and makes a big difference in helping us improve your experience. Thank you for being part of what makes our community so special!
