HUNT MILITARY COMMUNITIES

COMMUNITY DIRECTOR UPDATE SEPTEMBER 1, 2025

COMMUNITY NEWS

Fort Sam Houston Family Housing has completed the following projects to enhance your community. New playgrounds (including the new volleyball court on Kimbro Circle), pool repairs and new signage, Harris Heights' painting project, and Tiger Sanitation is in full effect.

We are currently working on an electrical panel replacement project. The designated Staff Post homes are complete, and we're now focusing on Infantry Post homes, with Artillery Post homes next. The roof replacement at 2785 N New Braunfels is nearly finished, and we'll soon begin the next roof replacements in Artillery Post.

We do expect to have shade structures installed at the Gorgas and Infantry Post playgrounds in mid-September.

MAINTENANCE TIPS

Did you know that a ceiling fan's performance is largely based on the direction the blades are spinning? This is because the direction of the blades determines how the air will circulate within space. In warmer weather, when you're trying to cool down interior spaces, the blades should spin counterclockwise to help cool the air by providing a downdraft.

Just don't forget to switch the blades back clockwise once the weather gets colder. This will create an updraft to help circulate the warm air around the room. And while you are changing the blade direction, balance any wobbly blades by tightening loose screws and dust them if needed.

RESIDENT REVIEWS

"Stephanie was on time, motivated, polite, and knowledgeable! She answered all of our questions and made sure we had the run-down on everything from trash pick-up to neighborhood get-togethers to maintenance."
