

COMMUNITY DIRECTOR UPDATE NOVEMBER 1, 2025

COMMUNITY NEWS

Exciting updates on our community playgrounds!

The Infantry Post playground project is currently on hold, which means the playground is open and ready for everyone to enjoy. Additionally, the new shade structure at the Gorgas Circle playground is now complete. It's perfect for some shaded fun!

MAINTENANCE TIPS

November is the perfect time to focus on safety and energy efficiency before winter.

- **Seal Drafts:** Check doors and windows for gaps to keep the cold air out.
- **Test Heating:** Ensure your system works efficiently and clear vents of obstructions.
- **Ceiling Fan Tip:** Switch your fan to spin clockwise to push warm air down.

Also, prepare for pests! As it gets colder, rodents and insects seek shelter outdoors. Seal any cracks or gaps and stay on top of pest control. A little prep now goes a long way this winter!

RESIDENT REVIEW

"Pablo is the best; my kids get so excited any time he comes by! He also did a permanent fix to the problem; he could have just patched it up and called it good, instead he took the time to fix it for not only us but the next tenants!"
