

COMMUNITY DIRECTOR UPDATE

JANUARY 1, 2026

COMMUNITY NEWS

As we begin the new year, our team is focused on proactive maintenance, strong communication, and continuous improvement across all of our neighborhoods. Thank you for being such an engaged and supportive community!

Our team is completing winter assessments and preparing schedules for upcoming improvements later this year. More details will be shared as timelines are finalized.

MAINTENANCE TIPS

Even short periods of cold weather in San Antonio can lead to plumbing challenges. To help protect your home, please follow these simple steps:

- Open cabinet doors under sinks along exterior walls to allow warm air to circulate.
- Let faucets drip slightly during freezing temperatures to prevent pipes from freezing.
- Disconnect outdoor hoses and cover spigots to shield them from the cold.
