HUNT MILITARY COMMUNITY

## Our President's Message

As PSC season begins to wind down, I am reminded of the feelings that go along with moving to a new duty station, adjusting to new neighbors, taking on a new role, and trying to find a sense of connection and community. The unique challenges and sacrifices of military families inspires us to continually improve our service

delivery at Hunt Military Communities. During September we will have several community-wide focuses. The first is Suicide Prevention Month. This month we will be hosting several speakers and sharing important educational materials on this most important topic. On average, 22 active or retired service members take their own lives each day, and unfortunately I know this pain too well having lost several of my Marines to suicide. We can help those in need by learning the warning signs and the appropriate resources available to help service members in need. Please look at the schedule of events you can attend and help us make mental health a priority for our military families. The other notable event is the anniversary of 9/11. In memory of those who lost their lives and those whose lives are forever changed, we will be hosting Never Forget Walks in our communities. Additionally, we will have an opportunity for children to write a 100-word essay on "What It Means To Be A Patriot," to help them grasp the selfless commitment of their family service member. More information to follow on both of these important events. We look forward to your participation.

Thank you for allowing us the opportunity to serve you.

## RESIDENT GUIDE REMINDERS:

**RECREATIONAL VEHICLES:** Storage of Boats, RV's, Trailers, and other recreational vehicles, is not permitted in the housing areas. Residents are asked to make arrangements for the storage of these items with Outdoor Recreation, or off post. Recreational vehicles can be parked at your home for 24 hours before and after use.

**SMOKE DETECTORS:** The proper functioning of smoke detectors is critical to your safety. So, we recommend you test yours monthly. Immediately notify us at 210-225-5564 if your smoke detector is chirping or malfunctioning.

**GARBAGE DISPOSAL:** Keeping the cover in the stopper position when not in use will prevent foreign material from accidentally dropping into your disposal unit. It is also important to have a sufficient flow of water to flush shredded waste through the drains, even after the disposal unit has been turned off. In order to minimize the need for maintenance, please do not put bones, bottle caps, glass, foil, string, paper, anything fibrous like celery, corn husks or artichokes down garbage disposal. Grease will also build up and cause clogging.

**Weekly Mowing Schedule:** The mowing schedule will be modified if a scheduled day falls on a Holiday or in the event of inclement weather. Residents will be notified via email of schedule changes. Weather related service delays may be rescheduled for the weekend.

MON	TUE	WED	THU	FRI
Gorgas, Hancock, Infantry , Artillery	Wheaton Graham Dickman	Patch/ Chaffee  Marvin R Wood  & Staff Post	Harris Heights  Includes Open Fields  in Gorgas & Watkins	Watkins Terrace  Includes remaining Fields in Watkins
