OCTOBER 5th

A parade will be held in observance of National Night Out Tuesday, October 5th beginning at 6 pm. Parade participants will travel through all Fort Sam Houston Family Housing areas beginning in Infantry Post. Refreshment swill be provided by HMC staff at each community Resident Center.

Our CEO's October Message

As we welcome Fall, we look forward to cooler weather and children settled into school and football. It is also a time when Hunt Military Communities launches our annual Hunt Helping Hands initiative.

This year we have once again organized a food drive in support of our military families and food insecurity. Data we have received indicates many military families face this challenge and could use additional support. Details about your communities food drive will be emailed, posted on social media, and cards left at each door. We are partnering with various groups on base who may have resources for distribution. We are also working with a local food bank closest to your community. Our goal is to make sure our families are taken care of and those in need receive the resources they need. Additionally, Hunt Military Communities is excited to collaborate with Hire Heroes USA to assist military service members and their spouses gain meaningful careers upon completion of their military service. Our donation will fund career transition services for veterans, military spouses, and transitioning service members. We will also collaborate with them to source more military veteran and spouse talent for our teams. More to come on this fantastic opportunity to assist those needing career advisement and services.

Thank you for allowing us to serve you.

RESIDENT GUIDE REMINDERS:

RECREATIONAL VEHICLES: Storage of Boats, RV's, Trailers, and other recreational vehicles, is not permitted in the housing areas. Residents are asked to make arrangements for the storage of these items with Outdoor Recreation, or off post. Recreational vehicles can be parked at your home for 24 hours before and after use.

SMOKE DETECTORS: The proper functioning of smoke detectors is critical to your safety. So, we recommend you test yours monthly. Immediately notify us at 210-225-5462 if your smoke detector is chirping or malfunctioning.

GARBAGE DISPOSAL: Keeping the cover in the stopper position when not in use will prevent foreign material from accidentally dropping into your disposal unit. It is also important to have a sufficient flow of water to flush shredded waste through the drains, even after the disposal unit has been turned off. In order to minimize the need for maintenance, please do not put bones, bottle caps, glass, foil, string, paper, anything fibrous like celery, corn husks or artichokes down garbage disposal. Grease will also build up and cause clogging.

Weekly Mowing Schedule: The mowing schedule will be modified if a scheduled day falls on a Holiday or in the event of inclement weather. Residents will be notified via email of schedule changes. Weather related service delays may be rescheduled for the weekend.

THANK YOU!

The unusually wet summer has caused some delays. Our new mowing company is working hard to get back on track. We appreciate your patience.

Pets in Housing

As a reminder, pets should not be tethered, chained or loose in housing areas. Pets must be kept inside your home at all times, except when on a leash accompanied by an adult, or safely contained in a fenced backyard, provided with adequate water, food, shelter and protection from inclement weather. Pet waste must be picked up immediately in all private and common areas.

***Remember a pet registration and deposit is required for all new pets.** Residents who acquire a new pet must also complete a new pet addendum and register your new furry family member at the FSH Veterinary Clinic.

TRASH & RECYCLING

Tuesday and Friday

Trash and recycling is picked up twice a week.

Trash should be placed curbside by 7am.

Place bulk items curbside for pick up on Fridays

October Activities

Pumpkin Carving Contest: Submit your Pumpkin Carving Contest entry via Facebook beginning **October 4th**. Create your Halloween jack-o-lantern and comment with a photo of it on the contest post for a chance to win. One adult Winner and one child Winner will be selected. **Submissions must be in my Midnight on October 14th**

Drive Thru Trick or Treat: Get a head start on your candy collecting this year. Drive thru at your neighborhood community center and receive a bag of Halloween treats. Drive through Trick or Treat will be held **Wednesday October 20th, from 4:30 pm until 6:30 pm**

JBSA Fort Sam Houston Trick or Treating: 502d JBSA neighborhood Trick-or-Treating will take place Sunday, October 31 from 5-8 pm. During trick or treat hours, please eliminate distraction inside you vehicles, so you can concentrate on the road and your surroundings. Take extra time to look for kids at intersections and between parked cars. **Have a Safe and Happy Halloween**

... also, consider these options for Safely Celebrating Halloween

Decorating Pumpkins: This is one Halloween tradition that is as safe and fun as ever. As always, be careful to avoid pumpkin carving injuries. Children can draw a face with markers. Then parents can do the cutting. When the carving is done display them as part of your

Halloween decorations, using a battery operated light rather than an open-flame candle inside.

Virtual Costume Party: Use video chats for an online party with friends and family, show off costumes and play games. Have fun with it!

Spooky Movie Night: Celebrate with a movie night while you dress up as your favorite scary movie character.

Plan a Scavenger Hunt: Search for treats and throw in a few tricks for fun with your household members around your home instead of trick or treating.
